I'm often asked what it is about the Whispering Angel that captures the imaginations and taste buds of so many. And perhaps it's better left to the creator of this pale coloured joy... Sacha Lichine.

👉 In the Esclans Valley angels whisper. If you drink this wine, you might hear them... If you visit us, you might see them. 🐣

Couldn't have said it any better myself! Sacha has created the greatest Rosés in the world, igniting the Rosé Renaissance by introducing new and innovate techniques which have truly revolutionised the styles of Rosés produced in the Provence region.

Whispering Angel is the pinnacle, I believe... try a glass and drink what the angels love to savour.
